# 1997 Dedication

We, the class of 1997, dedicate this yearbook to Mr. James Burbank. Mr. Burbank has greatly influenced the lives that he has touched these past four years. Whether as a husband, father, teacher, career advisor, yearbook advisor or friend, he truly is a role model for all of us to admire. No matter how busy he may have been, Mr. Burbank always has been there for us. He has always been willing to take the time to help us with our academic or personal problems.

The class of 1997 wants to thank Mr. Burbank for the years of dedication and hard work that he has given to Attleboro High School.

A yearbook is an ever-lasting *memory* of our high school years. Thanks, Mr. Burbank, for the memories.

# The 1997 Class Advisors

The class of 1997 would like to thank you, Mrs. Baker and Mrs. Moriarty, for all the time and hard work you have put in for our benefit. Without your help the Junior and Senior proms would never have been as beautiful as they were. The Powderpuff games Junior and Senior year would not have run as smoothly as they did. The rallies would never been as much fun as they were.

We would also like to thank you for helping our class get the annual bonfire back into effect. Without the bonfire, the annual Thanksgiving Day game would not have been as exciting,

Throughout the last four years we have come to need, trust and respect your opinions and leadership. We have come to you with many of our problems, and with your guidance we have made the best possible choices to help head our lives in the right direction.

## SENIOR CLASS HISTORY-1997

The class of 1997 . . . "what a long strange trip it has been." For the past two years this has been '97's logo as a symbol of our high school experience. That's exactly what it has been, "a long strange trip."

In writing the senior class history, the normal tradition has been to go through each year and clarify what we, as a class, have accomplished.

To speak of only the events that took place would lead people to believe that we solely left with "annual memories" and not the emotional roller coaster ride that we all went through.

Not to say that the athletics, the rallies, and the dances were not important . . . We overcame the "fear of freshman year" rather quickly. Our freshman football team went undefeated! From this achievement, we continued the winning spirit by beating the sophomores for third place in the annual spirit rally.

The class of '97 made an ample addition to athletics, student government, the arts, drama, band, and community service activities within the high school.

As we went through sophomore and junior year, the relief of becoming more than a "pack of freshman" came into play. We were breaking apart, growing and learning as individuals.

Even though we were finding ourselves and the close friends we would have for the next few years, we always found the confidence and energy, as a class, to show A.H.S. our brave qualities and desires to succeed. We may not be on the winning record of those memorable spirit rallies and powderpuff games in the past two years, but when it came down to the football wins over area rivals or the immense spirit at the school dances, '97 was always present.

The emotional and physical assurance of senior year occurred when we came together to win our last spirit rally. Needless to say, our strength and energy in the rally was an extraordinary influence in the way we would complete our high school experience.

Now as we look back, we can see that throughout our lives people will come and go, but there is one fact that will not change, the deep-rooted relationships, the faces that we have encountered, and the lessons that we have learned, will always be the foundation for what we achieve in respect to our future goals.

1997 has come all to quickly. The pressures of college, entering the work force, and the military have begun to enter our lives.

Although we're looking toward the future with anticipation, thoughts of upcoming events such as the Senior Reception, the Senior Breakfast, the Senior Prom, and Graduation are all experiences that we wish could last forever.

The bonds that we made, the promises that were kept or broken, the times that we shared together . . . All of these things have come together to make an unforgettable four years at A.H.S.

The familiar surroundings and the memories that have been all that we know, for the past four years, have inspired us and made us ready to take "the long strange trip" into adulthood.

Shannon Mary Walsh

# REMEMBER

Remember the laughter and the tears, the good times and the bad. The on-going pain and strife.

Remember the moon, stars and their special night, the whistling of the wind.

The love that we shared and the games that we played. The quarrels and the pity

Remember the hellos, then the good-byes, the parties and the exagerations. The rumors and the pettiness. The dance, the song, the light, the look in our eyes.

Remember . . .

# BOYS CROSS COUNTRY

The 1996 season was truly a memorable one for the Boys Cross Country team. We brought home the EAC for the first time, thus being the first team to beat Feehan in over 5 years and ending with 6-0 in the league. We finished in a close 2nd place at the Wampanoag Invitational to a tough Tolman group and came within one point of the team's first undefeated season since 1985. We also came in 11th as a team at the class meet and were well represented at the State meet. With a strong underclassman base, we can only look forward to next year. Congratulations and good luck.

# GIRLS CROSS COUNTRY

The 1996 Girls Cross Country team had a successful season. This season has been memorable for me as a captain. We finished 5 - 1 in the EAC, coming in 2nd in the league. I would like to congratulate the girls on a season well done. Everyone worked hard day in and day out. Being together som much made us a close team. We have made friends that will last us a lifetime. We learned a lot about each other and ourselves this year. Good luck in the years to follow.

Captain Jen Axon

P.S. Remember girls. Next year, the Championships will be up for grabs and you girls deserve it the most.

Captain Jen Axon,
Coach Lacasse

# FIELD HOCKEY

This was the season that broke our infamous AHS Field Hockey curse! We won and it was awesome. We practiced hard and played tough all season long. This was our best season ever with more to come next year. We specially want to thank Coach Halton for being "real".

Good Luck in '97,
Jill, Deanna, & Lisa

This seemed to be a year for rebuilding so we did not know what to expect. But as it turned out we did better than we thought (coming in 3rd overall in the EAC). But most of all, we would like to thank our coach, Peter Pereira for not only being a great coach but also a good friend.

# GIRLS SOCCER

The team played a good hard season even though their record may not show it. The team composed of mostly underclassmen gained experience as the season went on. A couple of the games could have gone our way as we would have liked them to, but just a few goals made the difference. We want to say goodbye to our coach Oscar Carillo, as he completed his last year coaching our girls soccer team. He taught us a lot, during the good times and the bad. We wish the team good luck next year.

# GIRLS SWIMMING

The girls swim team started off the dual meet season facing our toughest opponent. We matched up pretty well to these teams due to the fact that we had lots of new and old swimmers who were ready to work hard and win. Unfortunately, winning was not always possible. During the season we had a lot of heartbreaks. At least 2 meets were tied up to the last event, leaving Attleboro on the losing side of the scoreboard. Even through the losses, the team was filled with spirit and camaraderie. Without the guidance and enthusiasm of our coaches, Mr. Bonneville, Kyle Browning, and Kim Keane such a great season would not have been possible. Thank you to everyone on the team. Best of luck next season, and in the future. Remember: it is not what you walk [illegible]

Sincerely,
Captain Lisa Dorrance

# The Good And Bad We've Had

Things at Attleboro High have changed greatly over the past four years. We as students have seen both positive and negative changes. Every year there were one or two small changes and every year we would just brush them off and deal with them, but after four years a few little changes can add up. Here are just a few things that have changed since September of 1993.

*PROS*

Joseph B. Rappa
Superintendent of Schools

Dear Graduates of the Class of 1997:

It is an honor and privilege for me to extend to each of you the collective well-wishes and salutations of the School Committee, Central Administration, and the over 700 faculty and staff of the Attleboro Public School System. To each of you, our congratulations on the successful completion of your studies in Attleboro's Public Schools. We sincerely hope that the experiences, skills, and preparations you have received here will give you special insights on the wonderful future you will have as citizens of the twenty-first century.

The 1997 edition of *The Tattletale* contains many snapshots of this past year and the friends and events that have made it important. Treasure it and the memories it represents. Whatever you will become will be an extension of what you are here and now. Your life and future will be accompanied by the high hopes and optimism that we, as a community, hold for you.

As alumnae and alumni, I hope you will uphold and sustain the traditions that have made Attleboro High School one of the finest! I also hope that you will come back often and share your reflections on life-long learning and your experiences with the faculty, staff, and future generations of students. You carry a little of each of us into an unseen future. Many wishes for the best in life, health, friendships, and success.

Sincerely,

Joseph B. Rappa, Ed. D.

I would like to take this opportunity to congratulate the members of the graduating Class of 1997.

As a class and as individuals you have maintained your own respect and have brought credit to Attleboro High School. I am proud to have been associated with you and wish you the very best in your future endeavors.

A good many of you are going on to further education, some into the service and the rest directly into the work force. It is my sincere wish that we have provided an atmosphere and environment where you were able to acquire new skills, make long lasting friendships and accomplish feats large or small that will stay with you for the remainder of your lives.

# World Champions wear Balfour rings. So should you.

Your class ring is made with the very same craftsmanship and care that go into the making of the sports world's most sought after symbols of accomplishment: the championship rings. Like yours, made by Balfour, of course.

We finished our ultimate goal . . . The Yearbook. It took us many long, hard days which turned into nights, but we managed. Through the pizzas we ordered, because we missed dinner, and the birthday parties we threw, because we needed cheering up, we were in our little yearbook office. We were there in the heat, cold, snow, and rain, but we loved almost every hour we spent. We missed a few deadlines due to understaffing, but because of the dedication of Mr. Burbank, we managed to finish on time. If it was not for him this yearbook would never have been completed. We would like to thank him for the time he set aside for us, from his busy schedule. We would also like to thank all of the students who donated their pictures, and their time to the 1997 Tattletale. Good Luck, Congratulations, and Best of Wishes to the CLASS OF 1997!!!

Sincerely,

Co-Editors
